## ABOUT QUEER ALL ABOUT IT

[www.greencarnationcompany.com/queer-all-about-it](http://www.greencarnationcompany.com/queer-all-about-it)

QUEER ALL ABOUT IT is Green Carnation's ongoing digital project exploring themes within our theatre projects and other issues affecting the LGBTQ+ community.

These are topics we care about. Subjects that we feel must be explored, discussed and interrogated to help us understand the complex questions and issues surrounding LGBTQ+ experiences. We explore these through films, articles and interviews.

With generous support from National Lottery and Arts Council England, we are expanding QUEER ALL ABOUT IT in 2020 to commission 4 new pieces of writing responding to specific themes that we will produce and release as short films.

## QUEER ALL ABOUT IT SCRIPT CALL OUT: FAITH & SEXUALITY

Our QUEER ALL ABOUT IT commissions aim to showcase and develop new LGBTQ+ writing, and to explore and celebrate diverse LGBTQ+ experiences.

These commissions will be selected through open submission call outs, and the winning submissions will receive feedback and further script development, a £500 fee and will have their writing turned into a creative short film that we will share across our networks and platforms.

We are looking for writers to respond to the theme 'Faith & Sexuality' exploring different relationships LGBTQ+ people have with faith and religion, and how they seek understanding on their own terms. We're looking for submissions from a range of religions and faiths, particularly from perspectives that balance of navigate having both a religious and sexual identity.

We are looking for scripts written for one performer, between 5 and 8 minutes in length. They can be something you've already been working on (but is yet to be performed), or they can be written specifically for the commission. Due to current restrictions, filming will take place around Manchester, so this should be kept in mind for any submissions (sadly budgets will not allow us to film abroad!).

To submit please email submissions to [GreenCarnationSubmissions@gmail.com](mailto:GreenCarnationSubmissions@gmail.com) by **Friday 18 September** with the subject **Faith & Sexuality**.

Please ensure your contact details are included on your submission. All applications are confidential and writers may choose to remain anonymous in any public information including film credits and public announcements.

### WHAT HAPPENS IF MY SCRIPT IS SELECTED?

If your script is successfully selected, you will receive a fee of £500 (split between two payments upon commission and completion). You will then develop your script over two weeks working with dramaturg and Green Carnation co-artistic director Dan Jarvis.

The script will then be developed into a short film, directed by Green Carnation co-artistic director Dan Ellis and produced by Bloody Bandit films.

The short film will then be freely released and publicised through Green Carnation's platforms and networks. It will be accompanied by an informative video discussing the themes through interviews with creative team, community and charity experts, and public responses.

### TIMELINE

Submissions Open: Tue 1 September 2020

Submissions Close: Fri 18 September 2020

Decision: Fri 25 September 2020
